

H.F. 2774
As Introduced

Subject Sustainable Forest Resources Act

Authors Hansen, R.

Analyst Janelle Taylor

Date March 13, 2023

Summary

Extends the expiration date of the Sustainable Forest Resources Act (SFRA) by five years (from June 30, 2028, to June 30, 2033). The SFRA established state policies to support the sustainable management of the state's forest resources, including the creation of the Minnesota Forest Resources Council (MFRC).
